Dear Friends:

Enclosed you will find the brochure for our December 2-11, 2019, TIMES OF REFRESHING ISRAEL TOUR. This is going to be an amazing time on many levels, and for some, a once in a lifetime trip as we travel to walk in the footsteps of Jesus. Powerful times of worship, insightful and inspirational teaching, and great fellowship with lots of fun and laughs will mark our time together. We hope you join us!

I cannot emphasize enough the importance of thoroughly reading the terms and conditions as stated on the back page of the brochure. All payments (except for the tips) will be directly between each passenger and Journeys Unlimited. Their contact info and payment details are clearly stated on the brochure.

Please make special note that the optional insurance fee of $169.00, is in addition to the $3398.00 tour cost and should be included with your $350.00 deposit. Each passenger will be responsible to abide by and follow the payment instructions.

Important for everyone to know upfront that this trip requires lots of walking. With that being said, and because this is a "group tour", this trip is not a good fit for anyone with physical challenges.

Because seats are limited, this trip is strictly a "first come first pay" basis. There has been tremendous interest already so we are expecting a full bus. My contact info is included on the brochure so please do not hesitate to contact me with any questions. We are planning this way in advance to allow

people the opportunity to plan and save. Once this trip draws closer, we will be in touch with everyone on important details surrounding the trip.

Robyn and I look forward to being your tour hosts and will do everything possible to make this experience as smooth, comfortable, and enjoyable as possible.

Your Friends,

Evangelist Greg & Robyn Hubbard
